SPECIFIC ADDITIONAL CHARGES

The School is aware of its obligations under the Equality Act 2010 in relation to charging for reasonable adjustments. PAYMENT OF FEES/FEE CHANGES

PAYMENT OF FEES

For all new pupils whose parents have a UK bank account, payment of School fees is by termly direct debit, in advance. Please note that a separate direct debit mandate must be completed. For all fees not settled by direct debit (save those paid under the Advanced Fees Scheme) all fees and charges must be paid before the first day of term by bank transfer. Please note that the School cannot accept payment of fees in cash due to insurance constraints. Overdue accounts are subject to interest being charged as per the parental contract.

Should parents wish to spread the cost of paying fees using monthly direct debit, School Fee Plan may be able to assist. Please refer to the School's website for a link to School Fee Plan. Please note that Cranleigh School is acting as a credit broker and is an Appointed Representative of Premium Credit Limited, who are authorised and regulated by the Financial Conduct Authority. Premium Credit Limited is the lender. School Fee Plan is the trading style of Premium Credit Limited.

If the fees for any pupil remain unpaid at the end of the term in which they are due the School reserves the right not to permit the pupil to return to the School. The Director of Finance may also terminate schooling during any particular term if there is a consistent record of late payment. This will not terminate the liability of the parent or guardian for payment of outstanding or future fees.

FEE CHANGES

The fees and charges shown are those presently in force. The Governing Body reserves the right to review them at their discretion at any time whether before or after a pupil's admission. As much written notice as possible of alteration will be given.

All prices shown are exclusive of VAT.
